Moving out of home next year?

Year 12 students who may need to move out of home to access post school education, employment or training may find a recent article by the Foundation for Young Australians helpful. The article discusses important information about renting, understanding your rights, dealing with conflict with housemates, and knowing your obligations as a tenant. You can access the article here https://bit.ly/2JLs4VA

Vocational Education and Training (VET)

We know that VET studies are a fantastic subject choice for many secondary school students. The Victorian Curriculum and Assessment Authority has developed several videos about VET subjects as part of their Get VET initiative.

You can watch videos about the following VET subjects:

- Music Industry
- Electrical
- Building and Construction
- Hair and Beauty
- Health
- Hospitality
- Laboratory Skills
- Sport and Recreation.

Whilst not all schools offer these VET subjects, it's still interesting to watch students develop their passions and aspirations through studying VET, https://bit.ly/2NzQUJf

Careers in Agriculture Competition
