Dear Parents,

The Year 10 Presentation Ball held at Longerenong College last Friday night was truly a spectacular event. It was suggested on the night that there was an amazing transformation in the students – the way in which they dressed, the manner in which they conducted themselves, their etiquette and deportment and the fact that they have developed into a greatly respected group of young men and women. Our students were a credit to themselves, their families and St Brigid’s College. Thank you again to Kate Farnham (Year 10 Coordinator) and the parent organising body, led by Sharon Fedke and to the staff who assisted with the preparation and organisation of the night.

FINAL ASSEMBLY

It was with enormous pride that we farewelled the class of 2016 at assembly last Thursday. They were a mature and responsible group of young men and women who embraced the concept of celebrating appropriately their six years of secondary education at St Brigid’s College. As parents you should be extremely proud of your sons and daughters. As a school community, we certainly recognise the wonderful leadership this group of young people has given our school. The work of Year 12 Coordinator, John Lowes must certainly be recognised, as indeed all staff who have had a role in moulding these very fine young people. Examinations commenced with English yesterday and will continue for the next three weeks. We wish our Year 12 students every success.

Prayer

Jesus, you were teacher of many who were called
and who felt drawn to your message of justice and compassion.

We pray for our students who are undertaking their
examinations that they will be able to do their best as they
reflect on their learning here at St Brigid’s.

We pray for peace at home and in their hearts and minds.

Amen
STUDENT ACHIEVEMENT

We have received Certificates of Achievement for three of our students who have met the stringent criteria for the Victorian Premiers’ Reading Challenge in 2016. Congratulations to Rachelle Ough, Toby Thomas and Lucas Scott on their success. Well done to you all.

RESIGNATION

Staff member, Jess Curtis, has accepted a teaching position at St Mary McKillop College, Swan Hill in 2017. Jess commenced at St Brigid’s in 2013 and taught predominantly in the Languages, English and Humanities faculties. We wish Jess well in her new pursuit and thank Jess for her commitment to our students.

EXAMINATIONS FOR YEARS 10 & 11

Our Years 10 and 11 students officially conclude classes on Friday, 18th November and commence their examinations on Monday, 21st November and conclude later that week. A timetable of examinations has been forwarded to all students.

MARGARET SIMONDS BURSARIES

These bursaries honour the memory of Margaret Simonds and we give recognition to her visionary work in the adult educational field. The late Margaret Simonds was the founder of On Track Learning in the late 1980s and she established a network of local literacy coordinators around the region to provide volunteer tutors to literacy students. Margaret possessed the following qualities and attributes: Faith, Leadership, Innovation, Inner strength, Vision, Perseverance, Communication, Lateral thinking, Humour and Enterprise.

The recipients of these bursaries will possess and demonstrate these attributes and qualities. Margaret Simonds bursaries cover tuition fees to the value of $1000 for students enrolled at St Brigid’s for the 2017 year. These bursaries are available to any currently enrolled student from Year 7 through to Year 11 in 2016. Application forms can be obtained from either the Front Office or on our website under “School Community” and must be returned by Friday, 11th November. Late applications will not be accepted.

ALL SOULS DAY

Our College community will celebrate the cherished memories of loved ones in a school liturgy next Wednesday, 2nd of November. The liturgy will allow staff and students the opportunity to list names of loved ones and reflect on the impact on their lives.

PTF GALA NIGHT

A reminder that the PTF run Gala night on Melbourne Cup eve which will be held at the Showgrounds on Monday, 31st October beginning at 7.30pm. It is a celebration in style of the Melbourne Cup, an opportunity to win some money in the Calcutta and a good, fun night out.

SCHOOL CLOSURE DAY

Monday, 31st October will be a School Closure day. There will also be no classes on Tuesday, 1st November due to Melbourne Cup Day.

Yours in the community of St Brigid’s College

Peter Gutteridge
Principal

Personal Hygiene

As we approach the summer months, I wish to remind students of the issue of body odour that is associated with warmer weather (well it’s supposed to be getting warmer!). I encourage students to shower regularly and to use personal deodorants. A room full of sweaty teenagers can be quite off putting for both teachers and students and so it is important that personal hygiene is maintained at a high level for the benefit of everyone.

A reminder however that spray deodorants are not to be applied at school as these can trigger reactions for some students. Roll-on deodorant is preferred for the re-applications that take place after recess and lunch breaks.

Melbourne Cup Eve Gala Night

Next Monday night, 31st October, the PTF Melbourne Cup Eve Gala Night will be held at the Horsham Showgrounds from 7.30pm. The night is always a great night of fun with a Melbourne Cup theme. Tickets are available from the front office at school or at the door on the night. $15 ticket gains you entry to the night as well as being included in the Calcutta draw and the Sweep draw. BYO Supper and Drinks. Calcutta Only tickets are also available for $10.
Over the coming weeks, students in Years 7-10 will undertake specialised testing in English, Maths and Science. The Australian Council for Educational Research (ACER) designs a series of targeted assessments that the school will use to help personalise teaching and learning programs, to ensure that students are being pushed to their fullest potential and to identify areas of the curriculum in which students need further support.

The assessments are online and completed during class time. All students will need to have their iPads charged and in working condition. Please contact the school as soon as possible if you are experiencing difficulties with iPads.

The assessment schedule is as follows:

- **Year 9 - Week 5 (Nov 2-4)**
- **Year 10 - Week 6 (Nov 7-11)**
- **Year 7 & 8 - Week 7 (Nov 14-18)**

---

**Second Hand Books**

Dear Parents,

Please find below textbooks that are able to be sold. A rough rule of thumb only: Excellent condition book – two thirds of original cost, very good condition – half price whilst a good condition book would attract one third of original cost. The original cost is indicated after each book. Please find attached information regarding the SUSTAINABLE SCHOOL SHOP WEBSITE if you wish to sell books online.

**Year 7**

- **English**
  - Parvana [Ellis] $15.95 – this novel can be sold through the Front Office for us to sell to our 2017 Yr 7 families to purchase.

My Brilliant Career [Franklin] $12.95
As St Brigid’s College will no longer be handling sales of second hand items (books or uniforms), families/students have the option of dealing directly with one another, as often happens now, or they can use the Sustainable School Shop website. www.sustainableschoolshop.com.au

This is an easy-to-use website that offers the advantages of:

- Easy registration process
- Low cost trading $1 per item or $19.95 annual subscription for unlimited sales and ‘wanted’ Ads and other benefits.
- Easy sale process where buyers will contact the seller direct to finalise the sale.
- You will have access to a complete list of second hand items linked to our college by all users of the website.
- Books can be listed (and searched) by Title, Author or ISBN code for accurate identification.
- Many other items in addition to uniform and books can be listed using this Sustainable School Shop website.
- There is an easy to follow ‘Guide’ instruction sheet available once you log in.
- Our PTF Group receives a small donation as part of each successful trade through this website, which in turn goes toward a benefit of the students here at St Brigid’s College.

We welcome any feedback from users of this service and if you have any questions, please contact the school on 5382 3545.
Great Extension Opportunities Really Good Experiences

Lions Youth of the Year is up and running again as well as another coding competition from the organisers of the NCSS Schools Coding Challenge!

Lions Youth of the Year 2016-17 is up and running once again.

St Brigid’s College has a notable history of successfully participating in the Lions Youth of the Year. The program is open to everyone between the ages of 15 and 18. Participation involves an interview, a prepared speech on a topic of your own choice and 2 impromptu speeches. The aim is to promote good citizenship and qualities including leadership, personality, sportsmanship, public speaking and community involvement. For more information see the GEORGE board, go to: www.lionsclubs.org.au.yoty and look out for meetings which will be announced on daily messages in SIMON. Mrs. Collins will be organising this opportunity and will provide opportunities for you to practice and develop your speaking skills in the lead up to the competition in February 2017.

Want to know what stuff you can do with coding?

The organisers of the NCSS Coding challenge which happened earlier in the year have another competition to develop your thinking skills. Called the Micro:bit challenge, students learn to apply their coding to control a small computer called a BBC Micro:bit. The competition will be run over 5 weeks, starting Wednesday 2nd November. As with the Coding Challenge, there are 4 levels of expertise and no prior coding experience is necessary. If you are interested contact Mrs. Collins or come to Room 7 at lunch, Tuesday to Thursday to have a look at what the coding competition is. Grok Learning also has lots of different coding courses available if you are interested in developing your knowledge without being in a competition. Once again, ask Mrs. Collins for more details, check out the GEORGE board or go to: www.groklearning.com
On the 17/10/16 some students from St Brigid’s college participated in the school shoot, with Mr Chen as our teacher. It was a very enjoyable day. With 430 students from right across Western Victoria there was some stiff competition.

We weren't shooting on an empty stomach, the canteen ladies at Minyip put on a feast, from bacon and egg sandwiches to hamburgers in rolls. The weather also turned it on for us all with a sunny 15 degree day. The food and the weather set the scene for a great day.

There was thirteen of us that participated in the clay bird shoot at Minyip. We all did pretty well from Kynan Meyer shooting 15 clays out of 24, Ash Geue 13, Will Lutze 13, Dylan Rethus 12, Noah Milbus 12, Will Miller 11, Nick Tobin 11, Alex Kinsman 11, Sid Welsh 11, Matt Ough 10, Andy Taylor 7, Nick Lattanzio 5.

The first placer from last year, the young gun and the sharp shooter Duncan Purcell, couldn't handle the pressure only shooting an average score (for him) of 14/24. But it wasn't easy that’s for sure. We had to shoot clay birds skipping along the ground like a rabbit, to one the size of a golf ball which they call the bee, the name explains it all, to one coming over the top of your head and only seeing it at the last minute. But overall it was a very enjoyable day and a big thank you to all the Minyip club volunteers that took us around and gave us advice on what we’re doing wrong and where we should be shooting.

Will Miller.

Photographer: Paul Carracher, Wimmera Mail-Times

On the 10th of October, students participated in the Black Ranges volleyball competition, held in the St Brigid’s College stadium. The Year 8 girls team had a day of mixed results, winning 1 out of their 3 games. The girls had a shaky start, losing their first game against Horsham. Their skills developed throughout the day and they managed to win a close game against Murtoa, but fell short against the overall winners of the day, Lutheran. Well done girls.

Pictured below:

Back L-R: Annabella Fort, Renee Allen, Sereina Hateley, Maddison O’Neill- Crozier, Jessica Whitworth.

Front L-R: Kyra Clarke, Tahlia Burford, Hannah Ross, Remi Hateley

The Year 8 boys also competed in the same competition and had a very successful day, coming away as overall winners. They then went on to compete in the Greater Western competition on Tuesday the 25th of October, where they managed to win all their games and were crowned Greater Western Sports Region Champions. The boys will now compete in the state finals held in Dandenong on the 22nd of November.

Good luck Boys!!

Back L-R: Sam Cameron, Aidan O'Connor, Wily Ioelu, Harrison Combe, Will Brennan

Front L-R: Zac O’Brien, John Kearns, Colby Ledgar
On Monday the 24th of October, 3 teams of Year 9/10 students competed in the intermediate Super 8’s cricket competition at Dudley Cornell Park. All teams had a successful day with the Year 10 boys team coming away with all wins, just missing out on the grandfinal by the amount of runs scored. The girls team, won 1 out of their 3 games. Notable players for the girls team were Steffi McDonald and Shahna Broadbent, who both smashed heaps of runs for the day.

The Year 9 boys played 3 games and they won their first two games against Goroke Secondary College and Stawell Secondary College. In the third game the boys came up against the eventual winners on the day of Birchip Secondary College losing by 24 runs. Notable performances on the day included excellent bowling by Matt Lloyd and Sean Wouters, fantastic wicket keeping by Nic Caris and wonderful batting by Jack Butler who scored over 50 runs in the final game.

Congratulations to all teams.

St Brigid's Yr 8 boys volleyball team are yet to drop a set as they march into the School Sport Victoria state championships to be played in Dandenong on November 22nd.

The majority of this team has also set its sights on representing St Brigid's College at the national volleyball schools cup later this year, together with a senior team. Will Brennan, John Kearns and Aiden O'Connor were all volleyball state representatives earlier in the year, (along with Yr 12 student Chloe Brown), but amazingly all of the team hadn't really played the game until being introduced in Physical Education lessons last year.

Training weekly, Dave Berry will continue to oversee the teams development and coach the boys at these two events. We wish them well with their preparations and if they continue to develop as quickly as they have who knows how far they can go!
CAREERS NEWS

This week's topics are:

- News from the University of Melbourne
- International student consultations
- Join the ‘Future Law’ newsletter
- New Bachelor of Design starting in 2017
- News from Swinburne University

**YEAR 10 MOCK INTERVIEW PROGRAM**

The Year 10 Mock Interview program will be running again as part of Pathways to the Future. The Mock Interviews will be held on Wednesday 9th November. Students will be expected to submit a job application letter and updated resume. They will also be covering interviewing techniques in class. Stay tuned for further information.
VCAL in the Spotlight

A VCAL information session was held on Monday night for the Year 10 students, starting VCAL next year, and their parents. It was a great opportunity to outline the difference between a VCE and VCAL certificate. The VCAL program at St Brigid’s College was clearly outlined as was the expectations for students completing the program. Shane Cross from Skillinvest spoke about School Based Apprenticeships/Traineeships outlining what a student needs to do to try and set one up and how parents can help with this process. Sharron Keating from Epicure Coaching presented a valuable session on goal setting, having a vision and setting up networks. The evening also provided an opportunity for a Q&A session.

VCAL Coordinator Mrs Lesley Lannen, outlining the VCAL program and expectations to students and parents.

Shane Cross from Skillinvest presenting information on SBAT’s

Sharron Keating from Epicure Coaching presenting information on goal setting, having a vision and creating networks.
As part of Unit 2 Business Management studies students created 3D and 2D models of a shop of their choice. Students were required to communicate different methods of marketing, internal layouts, staff presentation, verbal and non verbal messages and the use of particular colours.

Business Management students have been busy applying and analysing effective marketing strategies by creating and marketing their own new products. The students worked through a number of communication, marketing and public relations challenges.

Year 7 students have been busy designing and producing their first project, a kit bag for Textiles. Pictured are some of their grand creations.

LIBRARY NEWS

**BRAVE BESS**
The true story of the courageous and loyal horses of World War One. Every ANZAC Day we celebrate the brave soldiers who fought and died in World War One, but the story of the loyal horses that carried our troops in the desert war has remained untold until now. This is their story - and the story of Bess, one of only four horses to return to New Zealand. Bess and her companions overcame their fear, standing by their masters in the battlefield, in harsh desert conditions. Brave Bess and the ANZAC Horses tell the tale of these valiant horses and the essential part they played in the war.

**STUDY SLAM**
