Ratified: December 2020  
Review Date: January 2022

## Rationale

St Brigid's College is committed to open, transparent and effective communication with all stakeholders. This Communication Policy meets the requirements under Schedule 4, clause 12 of the Education and Training Reform Regulations 2017. Schools are required to demonstrate the communication of policies and procedures relating care, safety and welfare of students to staff, students, parents, guardians and the school community.

This policy aims to ensure that:

- effective communication between the school community members takes place;
- processes are in place to allow open and honest communication amongst all school community members;
- confidential information is managed in a manner consistent with community expectations, professional standards and legal obligations;
- clear, positive and fair processes and guidelines are provided which allow issues or concerns to be aired and resolved in a timely, effective and respectful manner.

## Policy Statement

Effective communication is essential in providing students, teachers, parents and the community with the necessary information to make appropriate decisions. [St Brigid's College](#) is committed to using communication processes and techniques to build positive learning environments for students, staff and parents in order to inspire and educate all students to succeed in becoming productive and valued citizens.

Electronic communication is the primary method of communication at [St Brigid's College](#). This includes the school website, newsletters, email communications, SIMON Learning Management System, via approved Apps and telephone.

In addition to electronic communication, members of the school community may request printed copies of policies and other documents from the reception of the School. The availability of interpreters or having key documents in community languages can also assist with communication and can be requested.

Members of the community will have regular, formal opportunities for engagement with the school staff and this includes: Open Days, Parent/Teacher/Student conferences, Parent Information sessions, or more informal face to face meetings with classroom teachers and principals as required and other events in which the school community is encouraged to participate. Dates for these events are published in the School Newsletter.

Families can make an appointment with their child's teacher, Teacher Advisor, or Principal by contacting the school office or by contacting the staff member directly.

At St Brigid's College we have a commitment to transparent, professional and respectful engagement and communications with the members of its school community that considers appropriate privacy and confidentiality principles.
