St Brigid's College is currently seeking applications for scholarships from suitably credentialed students. These scholarships are open to new students entering Years 7 to 11 in 2025 and offer up to 50% remission of tuition fees.

The scholarships are awarded to students who display talent in a variety of areas including, but not restricted to;

- leadership,
- commitment to community service.
- sport,
- performing arts, visual arts and
- academic ability,

and of equal importance, sustained commitment to their studies.

The scholarships are offered to give students opportunity to develop their talents in a quality educational environment, that they may not otherwise access without such support.

The scholarship is for a period of up to one year and students can apply in subsequent years.
